Dedication

The word of God is alive and powerful, sharper than any two-edged sword, piercing even to the dividing asunder of the soul and the spirit, and of the joints and the marrow, and is a critic of thoughts and intents of the heart. (Heb 4:12) All Scripture is God-breathed, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God might be mature, thoroughly furnished unto all good works. (2Tim 3:16-17) Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. (2Tim. 2:1)

This compilation of doctrinal principles is dedicated to my pastor of some 40+ years, Col. R. B. Thieme Jr., who, in my humble opinion, is one of, if not the, foremost theologian of the 20th century and most likely many others as well. Without his consistent undaunted dogmatic teaching of Bible Doctrine this document would not have been possible and I would most likely NOT have a clue about the Christian Way of Life. In his physical presence, mental acuity, supreme dedication to the word of God and overriding dogmatic veracity in the presentation of the doctrines of the bible he has been a life changing inspiration to myself and literally hundreds of thousands of other believers throughout the world. I, and these others I am sure, look forward to the honor of standing in ranks before the Judgment Seat of Jesus Christ as representatives of the “Berachah Battalion” who have grown up in the Spiritual Life as a result of his phenomenal grace teaching.

I would like to give special thanks to Pastor Robert Lyon who has been a constant stimulus and encouragement to me in putting this and other materials together as a consolidation of bible doctrine to enable others to assimilate or review.

Preface

Before a believer begins to study anything related to bible doctrine he must name or acknowledge his sins privately to God the Father in order to be forgiven those and all other sins, to be placed again into fellowship with God and under the teaching and guiding ministry of God the Holy Spirit. **1st John 1:9** states, “If we confess (name or cite) our (known) sins, He is faithful and justified to forgive us our (known) sins and to cleanse us from all unrighteousness (unknown sins).” This will put the believer into fellowship with God and under the Filling of God the Holy Spirit in a state of Genuine Humility and teachability and ready to learn Bible Doctrine. If you have never personally expressed faith alone in The Lord Jesus, The Christ alone the issue is NOT naming your sins. The issue is nonmeritorious faith alone in Christ alone. “He who believes in the Son has Eternal Life; But he who does not obey the command to believe in the Son shall not see life, but the wrath of God abides on him.” (**John 3:18, John 3:36**)

If we are totally objective we must admit to having delusions about some things in life at some time. For myself there is ONE thing in this life which I have no delusions about, Bible Doctrine. Were it not for the teaching ministry of Col. R. B. Thieme Jr. and his consistent clear, concise and DOGMATIC presentation of the doctrines of the bible I would know nothing of orthodox fundamental biblical doctrine and the Christian Way of Life. I have no delusion about my knowledge, calling or spiritual gift; and, recognize that I could not do what he and many other pastors have done, and continue to do, in the constant studying and teaching of doctrine to their congregations. Over the years I have learned innumerable principles from these studies by Pastor Thieme. One of the most important things I have learned has been that “One’s rate of learning MUST exceed one’s rate of FORGETTING” in order to advance in the Spiritual Life or to maintain one’s level of spiritual growth. This amplifies the necessity therefore of constant, consistent, Post Salvation Epistemological Rehabilitation through Perception, Cognition, Inculcation and Metabolization of Bible Doctrine and ultimately the Application of it to life. It is my desire that this document be a source of consolidated doctrine to fulfill that very purpose.

This is a compilation from my notes on the principles directly derived from the lessons taught by Col. R. B. Thieme Jr. Many of the lessons from which this compilation is derived, having been taught many years prior to the time of my compiling this document, still, to this day, reflect a condition which exists and whose understanding is essential in the Spiritual Life and which is generally ignored and unrecognized by the Christian. All of these lessons were taught after many years of Pastor Thieme serving in his ministry of Studying and Teaching Orthodox Fundamental Biblical Christian Doctrine according to an Isagogical, Exegetical and Categorical method. With this in mind be conscious of the fact that some of the terminology, doctrines and principles presented here will be, at best, difficult or even obscure, for the new or infant believer. It took the Colonel many years to come to the point of being able to extract these doctrines and principles from the original languages of scripture so it should reasonably require some years of study by the believer under his type of ministry to be able to understand what is herein contained. To facilitate this understanding on the part of the reader I have interlinked concepts in this document with other segments and other documents to enable the

reader to review or recall these concepts, principles and doctrines while reading. I have also included a Glossary of terms, a compilation of expanded translations of biblical passages and sections of fundamental doctrinal principles which I believe will help in this endeavor.

As one would expect, I have entered some opinions, concepts and even terminology of my own from what I have learned from my studies of Pastor Thieme's teaching of Bible Doctrine in later lessons, from later years and from life experiences and other current materials regarding ongoing historical and social trends. Therefore, one should understand that I have not kept the terminology nor the organizational system identical to what the Colonel had provided. The effort here on my part has been to consolidate to a maximum level the principles regarding the production of "GOOD" deeds which result in reward in the spiritual life for the believer and those which are completely useless for the believer and in fact damning for the unbeliever. However, nothing contained herein is ever to be construed to have been originated by my personal abilities to extract doctrines from the scripture. Neither is this to be a substitute for consistent daily study under one's "right" Pastor Teacher in order to develop the momentum needed to reach and hold on to spiritual maturity, the ultimate objective of the Spiritual Life. If more details and reference passages are desired on the concepts of Human Good or Divine Good or how these principles were derived the original lessons can be ordered from **R. B. Thieme Jr. Bible Ministries**, P.O. Box 460829, Houston Tx. 77056-8829, or by phoning 713-621-3740.

My objective in presenting this compilation of Bible Doctrine does not include, nor am I concerned as to, whether it is considered good or bad, liked or disliked as a message but whether God the Holy Spirit can use the doctrinal content in the life of YOU the believer reading it. I have nothing to prove to anyone in life and it is only getting the lucid message of these doctrinal principles through to the YOU, the reader, that is important to me so that there is something for God the Holy Spirit to use as YOU progress in your personal spiritual growth. I have, in fact, attempted to organize these principles into discrete segments or categories. However, the principles involved in the Plan of God are in an INTERLOCKING SYSTEM of function and cannot be segmented or separated into discrete areas. Please! Keep in mind that the Protocol Plan of God and one's advancement in it is a progressive system of growth and development as one functions to complete execution of the Protocol Plan of God in his lifetime and thus glorify God. It should be obvious then that these principles must be interconnected into an intricately interlocked system designed by God for the PROGRESSIVE advance of the believer in the Spiritual Life as he fulfills the Protocol Plan of God requirements. Also keep in mind that the principles elucidated by Pastor Thieme in his studies of Human Good vs Divine Good were taught at varying times with different background context and they must be related to other parts of the complexity of the Protocol Plan of God with which they readily interact. Also, they must relate to the development and deployment of the **10 Problem Solving Devices** provided by God and building of the **Edification Complex** of the Soul as well. Therefore, the importance of discerning the differences of these 2 antithetical functions for the Royal Ambassador of The Lord Jesus the Christ, the Church Age Believer should be clear. With this in mind understand that there must be PROGRESSIVE development of the principles and functions of the Protocol Plan of God in order for the individual to

effectively function in representing The Lord Jesus the Christ on this earth to mankind as his Royal Ambassador. This document will certainly contain redundancies in the presentation of the principles of Human Good and Divine Good but, as the Colonel might have said on occasion: “REPETITION, REPETITION, REPETITION IS INVALUABLE SO GET USED TO IT AND ENJOY IT.

This document can be read and studied from beginning to end but it does not have to be. It can also be studied and reviewed as individual chapters and segments for an understanding of the various aspects of production in the Spiritual Life of the believer in the Protocol Plan of God.

Introduction to Human Good

In the PREHISTORIC Angelic Conflict the desire of Satan was to provide angelic creatures with a functioning Utopian environment equal to what God had done for all angelic creation. In his plan the production devised by Satan for the angelic creatures who followed him could have been labeled “Angelic Good”. Its purpose was to produce an environment and system under which Angelic Creatures could live in harmony and happiness; APART FROM GOD. Therefore, the concept of Human Good began as (if I may) “angelic good” production where Satan wanted to control angelic creatures to provide beneficial productions to develop an angelic society for the benefit of angels; APART FROM GOD. Now in Human History beginning in the garden of Eden the Plan of Satan, to prove to God that he should not be condemned to the Lake of Fire for his revolutionary functions, was laid out and detailed in Good and Evil. The creation of man was for the sole purpose of clearly demonstrating to Angelic Creation that the Essence of God, the Character of God, ALWAYS works together in unison especially when involved in judgment. Man was created with the same VOLITION that Angelic Creatures possess and was placed in a restricted environment for demonstration purposes, EARTH. Man was and now still is given a CHOICE between the Plan of God under the principles of GRACE and the Plan of Satan under the principles of EVIL. Ish and Ishah (later called Adam and Eve) were given a choice between the Tree of Lives and the Tree of the Knowledge of Good and Evil. Today Man has a choice between the same Grace Plan of God and the Evil Plan of Satan, the Divine Dynasphere, the Power System of God vs the Cosmic Dynaspheres, the Power System of Satan, Divine Good production vs Human Good production and the Absolute Righteousness of God vs his own Self Righteous Arrogance. In the garden, in a situation similar to that which Satan was created under, man was subject to and the beneficiary of the Love of God, UNTIL he decided to TAKE HIMSELF OUT OF THE PLAN OF GOD by the negative use of his own volition. Satan revolted against God and God’s Angelic Creation Plan, Man revolted against God and his EDEN plan and chose instead the Plan of Satan, Good and Evil. This was Satan and also Adam and Eve taking themselves out from under the Love of God and PLACING THEMSELVES under the consideration of the Righteousness of God and function of the Justice of God to JUDGE their negative volition.

At this time, after the fall of man in the garden where Satan gained rulership of this world, the plan and policy of function for all human beings is Good and Evil. Every human is BORN into this plan and lives in it until and unless he CHOOSES to enter the Plan of God by making Salvation Adjustment to the Justice of God through faith alone in the Substitutionary Spiritual Death of The Lord Jesus the Christ on the cross for all human sin, ALONE. The principles of this Plan of Satan are found under the title of EVIL and revolve around the concept of providing a perfect environment for mankind apart from God and are based on the WORK and EFFORT, the production, of Man himself using his own power, under the guidance of the policy of EVIL. The PRODUCTION of this plan of EVIL is GOOD or Human Good since it is manufactured by MAN, Humans.

Therefore, this “Human Good” term and the concepts of its being production are derived from the initial creation of the original human beings in the Garden of Eden. These 2 human beings were created specifically for the resolution of the Angelic Conflict Appeal Trial wherein Satan

challenged the condemnation by God for his revolution by contending that the Love of God did not work in conjunction with the Justice of God and Righteousness of God. This new species of human beings were provided with everything necessary by the Love of God for their contentment and happiness in life with one (1) single prohibition, Knowledge of Good and Evil. This knowledge was not part of the Plan of God for them and therefore not necessary for these 2 individuals to be able to continue to live in happiness under the Plan of God for an unending lifetime. This prohibition was in fact regarding the Principles and Policies of the Plan of Satan with its methods of production. EVIL and GOOD respectively.

Immediately after DECIDING to enter the Plan of Satan by eating the fruit of the Tree of the Knowledge of Good and Evil the first thing our original parents did was to try to make coverings for their naked bodies. They never considered any offensiveness to being naked under the Plan of God and Love of God but knowing now all aspects of the Knowledge of Good and Evil they found themselves subject to new rules of morality and tried to comply. This was the production of Human Good related to pseudo morality in the Plan of Satan. This was their attempt to adjust to each other so that they might be able to gain the approval or approbation of God and thus adjust to him again.

The Plans

The PLAN of God is GRACE the PLAN of Satan is EVIL. These 2 plans are mutually exclusive and mutually antagonistic and therefore what is involved in one plan cannot ever be involved in the other plan. Under the GRACE Plan of God, God does ALL the work and man receives the benefit nonmeritoriously and God gets ALL the Credit. Under the EVIL Plan of Satan, Man does the work, God is supposed to accept that which is done by man in a meritorious way for the benefit of mankind, then provide some level of reward or blessing for the doer and Man gets the credit. Production in the Plan of God is based on the power derived from the Filling of God the Holy Spirit while the individual believer is residing in the Power System of God, the Divine Dynasphere, and functioning under the Protocol Plan of God. Production when functioning within the Plan of Satan is based on human power derived from the Old Sin Nature while the individual is residing and functioning in the Power System of Satan, the Cosmic Dynaspheres, and functioning under the principles of Evil.

Production, Action, Effort or Function

When considering productions of either the Plan of God or the Plan of Satan there must be a distinction made between thoughts, decisions, motivations, policies, procedures and actions, efforts, works, deeds, etc. There has to be separation of the PRODUCTION & ACTION from the PLAN, POLICY and PRINCIPLE which provides MOTIVATION for the production. To make it clear, MOTIVATION IS NOT PRODUCTION, MOTIVATION IS NOT ACTION. The PRODUCTION under the Plan of God is Divine Good while the PRODUCTION under the Plan of Satan is what is called Human Good. Both Divine Good and Human Good are PRODUCTION, an action not a decision or motivation.

- Human Good
 - ▲ Production when residing in the Cosmic Dynaspheres, the Plan of Satan, Evil.
 - ▲ It must never be confused with morality or the legitimate Divine Good production of the believer residing in the Protocol Plan of God, the [Divine Dynasphere](#).
 - ▲ It is any good deed or effort that can be performed by believers or unbelievers by their own human efforts, APART FROM GOD.
 - ▲ As the production of the believer outside of the Plan of God, the Divine Dynasphere it is therefore not valid in God's eyes.
 - ▲ It is most often the production while functioning under the plan and policy of Satan, EVIL, therefore, it is the result of residing inside the Cosmic Dynaspheres.

Human Good is often a reaction to some situation or individual, ie. helping someone because one dislikes a person who wasn't helping that person, or showing someone how much better one is with one's Christian production. This is illustrated by people who very often give financially and of their time and efforts because they are unhappy. The individual performing Human Good can be motivated by any of the aspects of [Cosmic Dynasphere I](#), the [Interlocking System of Arrogance](#) or [Cosmic Dynasphere II](#), the Interlocking System of Antagonistic Emotional Hatred but most often it is from Mental Attitude Arrogance and the accompanying Mental Attitude Sins. Human Good is most often characterized by fanaticism and arrogant concentration without bible doctrinal inculcation. Therefore, it is a characteristic thing for fanatics to produce Human Good. There are 2 categories of Human Good in Life:

- Legitimate Human Good or Establishment Good
 - ▲ This is related to the understanding of and adherence to the Laws of Divine Establishment and Divine Institutions.

- ▲ This Legitimate Human Good can be performed by human efforts when related to the Laws of Divine Establishment and Divine Institutions.
- ▲ This results in blessing or reward for the individual in time only.
- ▲ This is produced by either the believer or unbeliever as Establishment Oriented Human Good, outside of the Divine Dynasphere while residing in the Cosmic Dynaspheres but NOT FUNCTIONING according to or under the principles and policies of the Cosmic Dynaspheres.
 - An example is the unbeliever who joins the military.
- Corruptible or Illegitimate Human Good
 - ▲ This is synonymous with “dead works” and is any production of the believer or unbeliever when residing in and FUNCTIONING according to and under the principles and policies of the Cosmic Dynaspheres.
 - All his Human Good production is the basis for the indictment of the unbeliever at the Great White Throne Judgment.
 - All his Human Good production is the basis for the bonfire of vanity at the Judgment Seat of Jesus Christ for the believer in the Church Age.
 - ▲ All Human Good production by believers is destroyed by fire at the time of the resurrection for their personal dispensations prior to their entering eternity with God.
 - ▲ All Human Good production by the Unbeliever is registered in the Book of Works and because it does not meet the standard of the Divine Good production of The Lord Jesus the Christ in his Substitutionary Spiritual Death on the cross, and was rejected by Christ while on the cross, it is the basis for his condemnation and relegation with it to the Lake of Fire.

There are systems of Human Good, such as: socialism; the attempt to create perfect environment for man, which appears on the surface to be GOOD for man but in fact destroys FREEDOM as part of the Laws of Divine Establishment. Other aspects of illegitimate Human Good include the concepts of Counseling as an attempt to help other people solve their problems in life which in fact results in a violation of Establishment principles including their privacy and freedom under the Laws of Divine Establishment. Therefore, Human Good is a reference to anything produced by man Apart From God, his Grace provision and outside of his Protocol Plan. Anything God provides for production by the believer, under his Grace Plan that production becomes Divine Good. Human Good and Divine Good are antithetical and mutually exclusive. The Knowledge of Human Good and Evil was not in the garden, and is not today, needed for a relationship with God. ([Gen 2:17](#)) Because Human Good is production outside of the Plan of God, Grace, and while residing within the Plan of Satan, EVIL, it becomes dead to God. ([Heb 6:1](#)) Therefore the believer’s Christian service, when he is FUNCTIONING inside the Interlocking System of Arrogance or Interlocking System of Antagonistic Emotional Hatred is “dead works”. It is ONLY the momentum derived from function under Gates #1 & #2 of the [Divine Dynasphere](#) interlocking with Gate #5 which is the means for the believer to avoid the problem of “dead works”.

Establishment Good, legitimate Christian production, which is performed outside the Divine Dynasphere is still “dead works”. It is production which results when the believer leaves the

Divine Dynasphere as a result of some sin and fails to function under the rebound principle to regain his residence in the [Divine Dynasphere](#). ([1John 1:9](#)) However, he regains or continues his orientation to Authority and the Laws of Divine Establishment and Divine Institutions and functions effectively in these areas while remaining outside of the Divine Dynasphere but NOT FUNCTIONING under the principles of the Cosmic Dynaspheres. This may be a very temporary situation or somewhat more prolonged depending on his propensity to engage in functions according to the principles and policies of the Cosmic Dynaspheres.

Therefore, obviously, Human Good produced outside of the Divine Dynasphere or from functions within the Cosmic Dynaspheres is never acceptable to God. ([Isa 64:6](#)). The production of Corruptible Human Good while functioning within the Cosmic Dynaspheres always results in boasting. ([Eph 2:8-9](#); [Rom 4:2](#)) Human Good will not and absolutely cannot provide salvation. ([Titus 3:5](#)). If one could achieve Salvation Adjustment to the Justice of God as a result of his own human effort good deeds, “works”, he would then have cause for boasting. This boasting would be occurring while he was in residence in the Cosmic Dynaspheres so that this man would be stimulated into pseudo happiness by arrogantly boasting of his own production. The person residing in and functioning under the principles of the Cosmic Dynaspheres contends that faith is not enough for salvation. Whole denominations are built on living one’s life inside the Cosmic Dynaspheres and performing Human Good deeds. However, this is neither good enough to qualify the individual for Salvation Adjustment to the Justice of God nor good enough to provide any level of enhanced spirituality; which in fact is ABSOLUTE and not relative. ([2Tim 1:9](#)) Therefore, Human Good can have no place in the plan of God ([1Cor 13:1-3](#)) *BECAUSE* it is the production APART from GOD and His Plan, within the Plan of Satan, EVIL. It began in the Garden as the test of Good and Evil, with EVIL being the Plan and Policies of Satan and Human Good being the production under that plan. Human Good production can be converted to Divine Good IF and when the believer regains his residence within the Divine Dynasphere by his function under the [rebound procedure](#).

Grace vs Evil

Is the believer ever given credit for his involvement in or should I say assisting in GRACE? I don’t believe so therefore he cannot be given credit, even negative or detrimental credit, for his involvement in or assisting in EVIL, because both are plans and policies not actions or productions. Evil INFLUENCES the individual through thoughts, motivations and decisions, for the production of SIN, Human Good (the desired production under EVIL) and CRIME, which is PRODUCTION in opposition to common law BASED ON the Laws of Divine Establishment and Divine Institutions. Grace INFLUENCES the believer through the inculcation and metabolization of Bible Doctrine for the production of Divine Good, the desired production under the GRACE Plan of God.

People have a tendency to distort the concepts involved with some things by the definitions or connotations they assign to them erroneously. EVIL as an illustration is used both for the principles, plan and policy of Satan and the actions or production or functions of individuals when engaged in heinous activities. To say, “he is EVIL” or “What he did was EVIL”, is a complete misuse and a confusion of that term. It would be better to say, “He is operating under or influenced by EVIL”, or “What he did was criminal because of being influenced by

EVIL”. Using EVIL as a type of production is a distorted and confusing use of terminology. The believer cannot produce EVIL, he can, however, from the influence of EVIL produce SIN, Human Good and Crime. The Believer cannot produce GRACE, but from the influence of and function under the GRACE policy of God, he can PRODUCE Divine Good.

Spiritual Skills & production skills

In the Christian Way of Life, development of the **Spiritual Skills** must precede development or use of any production skills. Just as social skills must be learned before competitive skills in orientation to human life, so spiritual growth and **Problem Solving Skills** must precede good deeds and Christian service in the Protocol Plan of God. Under the Protocol Plan of God, spiritual growth, as a result of the inculcation and metabolization of Bible Doctrine, must precede the good deeds of Christian service, otherwise, the Christian service and good deeds will become the “dead works” of Human Good. If one develops competitive skills before social skills, then the competitive skills replace the social skills, so that kindness, thoughtfulness, and consideration for others is eliminated. Therefore, in the Christian Way of Life, advancing to Spiritual Maturity must precede maximum effectiveness in Christian service and the production of Divine Good deeds. The problems which result in parlaying Divine Good into Human Good or “dead works” are avoided by giving priority to spiritual momentum through consistency in Post Salvation Epistemological Rehabilitation by Perception, Cognition, Inculcation and Metabolization of Bible Doctrine. Maximum effectiveness of one’s Christian service in Spiritual Maturity does not preclude Christian service in spiritual youth or early spiritual adulthood; but it does provide the Grace perspective for the place of Christian service in the Protocol Plan of God and emphasizes the importance of spiritual advance. The key to the production of Divine Good in Christian service is to avoid wrong motivation, especially from involvement in any aspect of the **Interlocking System of Arrogance** or Interlocking System of Antagonistic Emotional Hatred. In the Christian Way of Life if the Spiritual Skills are not developed first, then production skills will replace spiritual skills, with the disastrous results of the believer thinking he must work to gain approval from God and to be spiritual. This believer will never execute the Protocol Plan of God for the Church, and therefore, will never glorify God or do anything that can be classified as Divine Good. This will result in ALL of the believer’s good deed efforts and Christian service being considered “wood, hay, and stubble”, so that ALL will be burned at the Judgment Seat of Christ.
