*Could you spend some time with me!!!*

**Dear Parent,**

**Long summer break is the most enviable part of school life! It provides time for rest and leisure. Children can just laze around, unwind, eat, play and make merry.**

**Vacations are of course a time to reinvigorate and revive. However, the duties of a student must not be forgotten either. A balance, therefore, between recreation and work must be found to ensure a break that is productive as well as relaxing.**

**Holidays are meant for enjoyment and if this time is used for creative pursuits, it becomes learning experience. The holiday homework has been designed to be a meaningful and creative exercise. Do ensure the child is involved with your guidance.**
