CLASS - V

Dear Parents,
Exciting time is here again!!!

It's time for Summer Vacation and fun filled activities. Summer vacation is the best time for learning and for nurturing creativity, for exploring places and for fun.

We at MAXIM MERRY believe that children are reservoirs of potential. It is very important to ignite their imagination, and foster an outlook that helps them imagine, explore, discover and rediscover.

The holidays homework designed would not only enhance their learning but would also be very effective in building up their reasoning and analytical skills.

Remember that Summer Vacation is the best time to connect with your children, relax and enjoy. So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic, learning and education.

Best Regards,
Class Incharge

Fun Rules for Summer Break

Dear Students,

- **Start your day with Morning Prayer.**
- **Meditate and do simple yoga exercises.**
- **Due to scorching heat you cannot go out to play, so try to play indoor games like scrabble, chess, atlas, word building etc.**
- **Utilise your time in reading story books, drawing, colouring and painting.**
- **Take good care of your health and hygiene. Avoid heavy and oily food, increase intake of fresh fruits and water to keep yourself well hydrated and energetic.**
- **Help your mother to keep the house clean and well organized and do small household jobs like dusting, watering plants, laying dinner table.**

WE WISH YOU TONS OF HAPPINESS, JOY AND FUN WHILE YOU ARE ON VACATION.
